Sir during the time I was here I happened to be ill and I had to stay from work and get attended to by my relatives in Boston, and I wants to put to your knowledge that our time is up as we gotted notice from the 7th of June to the 7 of July. Sir, I had not made much of the time through my sickness and I am asking you Sir to grant me the favour of allowing me a little more time to stay here so that I'll be able to make a little money to carry home not that I am effecting the powers of this country but I am only appealing to you Sir. Your Honoured.

Respectfully yours,
