

REPOSITORY STEERING COMMITTEE MEETING

October 25, 2006

Attendees

Grace Agnew
Kalaivani Ananthan
John Brennan

Ron Jantz
Ann Montanaro
Mary Beth Weber

Decisions

- Begin to intersect the development of Sakai and RUcore. Sakai will be the front end, RUcore the back end. OIRT staff will join RUL committees/working groups to help ensure development efforts regarding Sakai are considered.
 - Chuck Hedrick – Repository Steering Committee
 - Gayle Stein – Faculty Services Working Group
 - Tom Grezlak – Faculty Services Working Group
 - Bob Gerdes – Audiovisual Working Group
- Ron will do the write-up for the Capital Campaign regarding staffing and equipment.
- Mary Beth will pull together all RUcore proposals for the capital campaign.
- A demo of RUcore will be given at the State of the Libraries meeting on November 1.
- Jane Johnson will be working on the WMS as part of the Jazz Oral History project.
- Library of Congress grant begins November 1, 2006.
- Sam McDonald will be transferring to the SCC effective November 1.

To-Do

- Policies are needed for collections standards for content and right statements (DRRC). Grace, Bob Sewell, Ron and Ann will meet to determine the proper strategic approach.
- Continue to make the WMS more user friendly and add robustness to enhance its use as a bibliographic utility. (WMS programmers)
- Continue to build-up NJDH collection records.
