Dear Fellow Worker:

Just learned from F.W. Dodge Buffalo N.Y.  
that you changed Plan, and did not go to  
Erie ~~last~~ Saturday, as you wrote me, why  
did you not notify me!

I send you telegram, to Erie that  
Bakers in Passaic wanted you.

They are on strike. Did you get  
wire I send to Erie.

There are too many "Directors"  
to have things go right.

Yours just  
H. Richter
