

Picnicking

Facilities, in attractive settings along the Ringwood River and in adjacent wooded areas, are provided for family and group picnics. Nearby are parking areas, refreshment concession, playfield for games and playground equipment for children.

Picnic fires are permitted but must be confined to the metal stoves and fireplaces provided, or to stoves brought by the picniker subject to approval by a park officer.

Charcoal may be purchased at the refreshment concession.

Help Us Maintain a Clean and Attractive Park

Litter along drives, on lawns and in recreation areas detracts from the beauty of the park and requires costly clean-up services. The money involved will be better directed toward improvements and additional facilities.

Please use the trash containers provided.

To keep the park perpetually attractive, do not pick or remove flowers and shrubs, or damage any tree or park property.

Administration

Visitors are admitted to the park upon payment of a nominal fee at the entrance gate.

Special arrangements for other uses and detailed information may be obtained either in person at the park office, or by addressing a letter to the Superintendent, Ringwood State Park, Box 1303, R.D., Ringwood, N. J. Arrangements also may be made by telephoning the park office.

The park is open during daylight hours throughout the year.
