76 MONTGOMERY ST.
JERSEY CITY

In filing this map, THE INDUSTRIAL LAND DEVELOPMENT COMPANY has no intention to dedicate the easement of way, or use over the streets and avenues shown on this map, or any other easement of any kind what ever, to the public; and it hereby gives public notice to all persons buying lots from it, or its grantees, that in filing said map this company intends to grant to the grantees to the lots shown a right of way over the streets and avenues shown, to be used as private roads open to said grantees and their assigns or licensees only, but not thoroughfares for the public at large.

THE INDUSTRIAL LAND DEVELOPMENT COMPANY hereby reserves to itself, its successors and assigns, the sole and exclusive right to lay water, gas and other pipes and sewers, and build electric and horse, railroad, and to erect telegraph poles and lines in said streets and avenues whenever it may see fit to do so.
