Mrs J. P. Weston

My dear Bro

The dear Peter

Sill is one of Gods own from the land of bondage who having bought his own body, is now endeavoring to raise money to purchase his wife & children. I know, you & other friends of a common Redeemer & of a common humanity will do what is needful to accomplish an object so dear to the heart of this child of God. Unless the owners of his family like some other friends in human shape refuse to part with them, so soon as he finds that the funds are secured, I think Peter will one day call his wife his & children his own.

Mrs. Sept. 20

tell Mr. Williston, that tho' the
remits have been at his
house, I know, that they have
not been out the goodness
of his heart". May God

second the efforts of this institute
aspired on to compass the objects
so dear to his heart,

Very truly yours
