Price 3 Cents A Copy

BIGGEST NEWS OF THE
week as far as party reconciliation goes in the Democratic party is concerned is that daily contacts are being made by some former big-wigs in the party . . . the boys are getting the word around that their plan is the only salvation for the party . . . but one of them "tipped his hand" when he frankly admitted that he was personally interested in certain matters.

THE ORIGINAL MOVE AS
first presented seemed somewhat logical . . . yet the boys who have been summoned at various places are using a little caution and report back all the events back to their various leaders . . . We find today the Democratic split wider than the Grand Canyon.

THE WAY THINGS LOOK
now, it appears as if Democratic job-holders will be given the heave before many moons go by . . . while two outstanding Democrats who crashed a headline almost every day are slated for state appointments . . . one thing is sure and that is, you can never tell which way the wind is going to blow.

THEY TELL US THAT
the meeting the Italian-American group held last week was plain routine and not to discuss patronage . . . that ten of the eleven names submitted by the committee have already been O.K'd . . . but nevertheless the word got around town that a pretty high percentage of the patronage was promised in the event there was a change in the administration . . . thirty percent to be exact . . . from where we are sitting the promises made before the campaign do not even remotely reach the five percent mark . . . that is as far as paying jobs are concerned.

WHILE SPEAKING ABOUT
Republicans they certainly don't let any grass grow under their feet . . . hardly had the legislature gotten together when a measure was passed for the Republican party to name at their will a new police chief . . . we always thought civil service tests didn't hold much water now we are sure of it . . . why not abolish the whole thing and save the taxpayers some money. The ways things are now its six of one and half dozen of the other.

WHILE THE DEMOCRATIC
party is more or less dormant, the Republicans are being accorded plenty of publicity on all their moves and appointments . . . the only moves that the general public is interested in is when announcements are made for economy.

Furrey Names De Luccia, Barton To School Board; Stern Reappointed

Charles K. Barton, former police commissioner and Joseph J. De Luccia were named yesterday to three year terms on

CHARLES K. BARTON

the Board of Education by Mayor William P. Furrey. Barton and De Luccia, Republicans, will replace Adrian E. Patmos, who has been a member of the board for a number of years and Pro-

fessor Alfred E. Borluso who is completing a three year term. Commissioner Jack Stern, president of the board now, was also reappointed.

Barton, who was appointed to the police and fire board by former mayor John V. Hinchliffe in 1934, is a native and a life-long resident of the city of Paterson. Mr. Barton served two terms as a member of the County Sinking Fund Commission and 14 years as deputy registrar of deeds and mortgages under John R. Morris. At the present, he is counsel to and member of the board of directors of the United States Trust Co. Joseph De Luccia, past president of the Italian Circle, is president of the Engravers Guild; president and treasurer of the Textile Dyeing and Finishing company and a member of other social and fraternal organizations. Commissioner Stern, a director of the Broadway Bank and Trust Company is one of the State's largest tire dealers.

Barton and De Luccia are Republicans while Stern is a Democrat.

County Budget Complete, First Reading Wednesday

Purchasing of Voting Machines Under Consideration

The Board of Freeholders adjourned today until next week when the budget will be introduced for first reading. Between now and Wednesday the Board will consider the requests of department heads on numerous requests for funds and also other items of importance. One of the new items under consideration will be whether or not the county is going to purchase voting machines.

The exact estimate of the 1940 budget was not available today because there were revenues to be computed and ratables in the county to determine yet. After the budget has been put into shape it will be published in the newspapers for a public hearing before being adopted.

Various taxpayers' representatives attended the two-day hearing and expressed complete satisfaction at the close of session, especially the manner in which the board explained in detail various budget items.

Freeholder Nicholas Martini, chairman of the finance committee, thanked the taxpayers for coming to the budget hearings. He declared that it fur-

nished an opportunity for an exchange of ideas and views, which was valuable.

Mr. Martini continued by saying, "We have really only con-

NICHOLAS MARTINI

trol of about 10 per cent of the county budgets. The balance is made up of mandatory items. We have a function to perform and we are duty-bound to perform it. The freeholders are only doing what they would do in the administration of their own businesses."

Republicans Pass Measure To Make Walker New Chief

BRAND NEW

New Health President Given Handsome Gavel

At the first meeting of the year, Dr. Harry M. Stein, new president of the Board of Health was surprised when during the course of the meeting Inspector Paul Kruper, on behalf of the staff of the board, presented to the president a new gavel.

Turning to Inspector Kruper and the other members of the board, Dr. Stein said, "I appreciate very much the gift of this gavel and the sentiment which prompted those who are responsible for the gift . . . I will never have the occasion to call our proceedings to order with more than a gentle tap."

Conkleton Lauer On Welfare Board

To extend the scope of the local assistance commission, Mayor William P. Furrey today appointed two new members by increasing the commission from a three-member body to a five-member body.

He named Claude Conkleton, well known insurance broker and Arthur G. Lauer, who was twice a Republican aldermanic candidate in the Ninth Ward. In the near future, Mayor Furrey will also announce the appointment of a member of the Fire and Police Commission to membership on the welfare board. Commissioner Charles Barton who resigned to become a member of the Board of Education had been the chairman of the board for the past two years.

Commissioners Marie Donnelly and Thomas F. Vigorito are the other two members on the board. Their terms will expire June 30.

INJURED BY AUTO

Frank Tateo, 12, of 55 Prince street, suffered bruises about the chest when he ran into a car operated by S. J. Lewis of Tucksville, Pa. Tateo was treated at St. Joseph's Hospital.

SWALLOWS IODINE

Elizabeth Giordano, 17, of 121 East Holsman street, was treated at the General Hospital Tuesday after swallowing iodine in her home. She was returned to her home.

Would Give Police Commission Right To Pick Administration Choice

By a vote of 32 to 9, two above the necessary number to pass a measure, the Assembly this week enacted a bill to permit members of the Police and Fire Commission to select one of the three captains aspiring for the position as the next chief of police for the city of Paterson.

After the measure is approved in the Republican controlled senate at next Monday's session, a foregone conclusion is that it will enable Captain James J. Walker, choice of the administration, a Republican, to be the next chief of police. However before the bill becomes a law it requires the Governor's signature. Close sources say that Governor Moore will veto the bill down.

The bill introduced by assemblyman Manfield G. Amlicke, a Republican, of Passaic, is an amendment applying only to promotions gives the fire and police commission, the appointing body, the right to select a ranking police officer for the post of chief eliminating the mandatory law which demands that a veteran who finishes first in a civil service exam be appointed.

Persistent rumors have placed Captain Stephen Jorlett, a veteran, in first place by four points. The sources of these rumors inspired the Republicans to enact a bill to protect the appointment choice of the administration.

Meanwhile the Civil Service Commission announced that the results of the police chief will be announced together with the full list of police examinations.

NOMINATE OFFICERS

The nomination of officers of the Edward J. O'Byrne Volunteers Democratic League will take place tonight at headquarters, 38 Park avenue. Annual election of officers is to be held next week.

JAMIESON REELECTED

Zoning commissioner Robert Jamieson, was re-elected president of the Paterson Grocers' association at the fifty-second annual meeting of the organization.

"No Harm In G.O.P Primary Fight" Hoffman

Former Governor Challenges A. T. V. To Be Candidate

Upholds Open Primary—Calls Essex Leader "Machine Politician"

A good primary fight will not hurt the Republican Party in New Jersey, former Governor Harold G. Hoffman asserted in repeating his challenge to Arthur T. Vanderbilt to seek the Republican gubernatorial nomination, declaring, "The general impression is that A. T. V. will not throw his hat in the ring, but will just pass it around."

Former Governor Hoffman's statement follows: "Following the Essex Club fiasco, engineered by self-appointed leaders of the Republican party, I suggested that since Arthur T. Vanderbilt had said that 'Any good Republican can beat Hoffman,' he should throw his hat in the ring and become a candidate rather than confine his efforts to the excavation of a secondary candidate. If we are to have a showdown in the Republican party between statesmanship and sham, the 'hate Hoffman' group should run either Mr. Vanderbilt or Dr. Clee."

HAROLD G. HOFFMAN

"Mr. Vanderbilt has made no reply to my suggestion that he become a candidate. The general impression is that A. T. V. will not throw his hat in the ring, but will just pass it around. I again challenge Mr. Vanderbilt to become a candidate. For years he has been endeavoring to mastermind the Republican party from a nook in the Essex Club, but he has never himself had nerve enough to come out in the open and do battle. Last week he treated the citizens of the State of New Jersey to the spectacle of a group of political Pharisees meeting to decide whom the Republican voters of New Jersey shall be permitted to vote for in the coming election. I brand Mr. Vanderbilt as a machine politician whose banner has for twenty years been the frequently laundered flag of synthetic civic virtue. He has a record that he dares not defend upon the political platforms of this State."

"Vanderbilt has never faced the electorate himself, always finding other victims for that sacrifice. If Vanderbilt will not

U-BOAT PRISONERS—Under critical gaze of British officers at right, members of German U-boat crew are landed at unnamed port in England. They were rescued from ocean after craft had been sunk by British. Bound for British internment camp, they can relax for duration of war.

FAILS TO ATTEND

Business Keeps New Commissioner Away From Meeting

Commissioner Alfred Zazella, who was recently appointed to the Park Board, failed to attend the first regular meeting of the board. Zazella sent a telegram to the board informing that he could not attend because of other business.

Fred Horandt the other new appointee attended the meeting. run, he should be willing to allow Dr. Clee to be the bearer of his white flag. The battle lines would then be clearly drawn. Who can deny that Dr. Clee would be a better campaigner than the others whose names are being put meekly forward by the Essex County Phinx. Personally, I should think that Dr. Clee would be tired of playing Tilly to Vanderbilt's Svengali. After heaping curses upon my head, Dr. Clee has now withdrawn to his pulpit to preach to his flock from the Scripture, which says: 'Be ye kindly affectioned one to another with brotherly love.'

"A good primary fight will not hurt the Republican party. If—as Mr. Vanderbilt says—there are thousands of Republicans who will vote against me, why should he deprive them of that pleasure? I am for an open primary in line with the intent of the law, and I shall oppose any effort to exclude from participation in it any Republican who would like to seek the nomination."

St. Michael's Society Meets Friday Night

The monthly meeting of the St. Michael's Holy Name society will be held Friday night in the parish hall 70 Cross street.

The meeting will be called to order at 8:15 by James Canger, president of the society. Rev.

REV. AUG. VARRICCHIO
Spiritual Director

Augustine Varricchio, spiritual advisor of the society urges all members to make an effort to be present as plans will be outlined for the season. Nominations for the election of new officers will also take place at this meeting.

Final arrangements will also be made for the members of the

Williams Plays At Rutherford Show

Bill Williams, popular Hawthorne singing bandleader and his band opens at the Rivoli theater in Rutherford tonight. The band is composed of artists mostly from this section, among whom are Virgil Lozzi, Lonny Londino, Al Speer, Joseph Brucato, Ethel Ferrazano, Peter Nunzo, Harry Settel, Peter Maricardi, Leonard Tufaro, Alphonso Ferrazano, Stanley Balut, Irving Nussbaum and Joseph Groppi. For the past two years, the band under the splendid leadership of Bill Williams has been receiving splendid ovations. Many Passaic and Bergen County friends of the band will be on hand tonight to welcome Bill and the band.

society to receive Holy Communion in a body at the 8 o'clock Mass Sunday morning.

Cardiac Group Plans Aid To Combat Disease

Plans for a campaign to aid in the education of the public on heart disease were discussed this week at a meeting of the Passaic County Tuberculosis and Health Association. The meeting was held in Paterson General hospital with Dr. Julian Cohen, chairman, presiding.

With heart disease the leading cause of death in this country, the committee feels the necessity of combating its further advance through acquainting the public with rules for its care.

Miss Margaret Carlon, R. N., secretary to the committee, presented her report showing that the clinic load in the four clinics in the county totals 830, with 115 adults and 319 children. The case load is divided as follows: Paterson General hospital, 202; St. Joseph's Hospital, 289; Barnert Memorial Hospital, 133; and Passaic General Hospital, 206.

Only patients who are not financially able to see their own physicians are enrolled in the clinics.

COMPLAINT WITHDRAWN

A complaint in which Annabelle Portello, of 73 Goffle road, Midland Park, was charged with abandonment of a minor by Thomas Portello, of 37 Matlock street, was withdrawn.

N.Y.A. Will Open Exhibit Monday

Lambert Castle To Be Scene of 3-Month Exhibition; Bergen County Included

The National Youth Administration for the State of New Jersey will be featured at a mammoth three-month exhibition which will open before 100 leading Northern New Jersey citizens on January 15th it has been announced by Bernard S. Miller, State Administrator, of the N.Y.A. The exhibit will open at Lambert Castle, Paterson, N. J.

The varied phases of the N.Y.A. program throughout the state, stressing in particular the northern section will be the basis of the entire exhibit. It will officially open when Bernard S. Miller, State Administrator severs a ribbon leading into the exhibition rooms.

New Jersey resident center's, student aid, girls and boys youth center's and projects will be included in this exhibit. Statistics and pictures concerning the N.Y.A. state and national program will form the background of the exhibition.

The exhibit has been arranged through Rudolph C. M. Hartmann of the Passaic County Historical Society by J. Wallace Aron, a District Supervisor of the National Youth Administration. N.Y.A. activities throughout the County of Bergen will share a spotlights in the exhibit room.

RADIO FANS TO HEAR—Burgess Meredith (left), brilliant young emcee-star of Columbia network's "The Pursuit of Happiness" and Lon Chaney, Jr., who soon are to be seen as co-stars in the new Hal Roach screen production "Of Mice and Men" will present an episode from the picture for coast to coast CBS listeners on Sunday, January 14th.

Orchestra Gives Concert Jan. 17

The Philharmonic Society of Paterson will present the third in its current series of concerts at Eastside High school on January 17, when the Paterson Community Symphony orchestra, under the direction of its conductor, John Passaretti, will be heard.

The orchestra, in its second full year of existence has more than fulfilled the many flattering predictions that were made

at its first concert in April, 1939. The personnel has been increased by the addition of several fine musicians both amateur and professional. Mr. Passaretti, local musician and violin teacher has welded the entire group into a harmonious and well balanced unit.

CHRISTMAS PRESENT

Antonio F. Christmas of Great Notch, received a certificate of retirement after 42 years of service with the Erie R. R. Christmas served as a trackman on the Greenwood Lake division of the road.

Sisters Of Poor Auxiliary Annual Card Party And Fashion March 27

50TH ANNIVERSARY

Notables To Attend Golden Jubilee Dinner Of Bar Ass'n

Committees for the Golden Jubilee dinner of the Passaic County Bar association were announced this week.

The affair which marks the fiftieth anniversary of the Passaic County Bar Association will be one of the most elaborate planned by the group. Arrangements are also being made to have many notables attend the affair, which will be held at the North Jersey Country Club on Saturday, January 27th.

Yearly Event At Alexander Hamilton Hotel; Mrs. J. V. Hinchliffe, Chairman

The auxiliary of the Little Sisters of the Poor annual card party and fashion show will be held Wednesday, March 27th in the Alexander Hamilton hotel.

Mrs. John V. Hinchliffe was named general chairman of the event at the regular monthly meeting held at the home of Miss Josephine Gatjen, 458 East Thirty-ninth street.

Mrs. Hinchliffe will be assisted by the following chairmen of sub-committees:

Tickets, Mrs. Edward Leonard; fashion show, Mrs. Stephen Carroll; prizes, Mrs. Edwin Labaugh; door, Mrs. Thomas J. Brogan, Jr.; reception, Mrs. Frederick Hopper; door gifts, Mrs. Bernard L. Stafford; gifts, Mrs. William A. Dwyer and Mrs. James Matthews; decorations, Mrs. Frank A. McBride, and arrangements, Mrs. Charles Lynch.

HITS THE TOP—Wee Bonnie Baker, petite vocalist with Orrin Tucker's orchestra now is heard regularly with "Your Hit Parade," the CBS Saturday night program which features the ten-hit tunes of the week. Bonnie and her boss were signed by Lucky Strike after they had revived 2-year-old "Oh Johnny" into a 1939 song hit.

Barbers To Install Officers Jan 28

The Journeymen Barbers, Local 341, affiliated with the American Federation of Labor, will install the newly elected officers Sunday evening, January 28th, in their headquarters, 90 Washington street.

Past President George Modica, who retired without seeking reelection will be a guest of honor at the affair. Mr. Modica will assist Charles La Motta, international representative of the Journeymen Barbers, who will install the newly elected officers.

The following officers will be installed: Frank Sansone, president; Richard D. Centrelli, vice-president; Frank Marchese, secretary-treasurer; Anthony Fama, guide; Vincent Crocitto, recording secretary; Carl Villani, guardian; John Magnifico, Frank Galese, Louis Caruso and Anthony Galletta, trustees.

10TH BIRTHDAY

The Young Woman's Guild of the Church of the Messiah celebrated its tenth birthday this week, having the Woman's society of the church as guests. Miss Alice Turner, president of the guild, was in charge of the program.

THE PRICE OF LIBERTY

A short time ago Joseph Stalin, dictator of Communist Russia, was reelected to his seat on the Moscow municipal soviet. His majority was exactly 100 per cent—every vote was cast for him. According to the press dispatch telling of this, it was obvious that the most strenuous methods were used by officials to get out the largest possible vote.

Those who have watched the technique of dictatorship can judge what those methods were—you support the man in the saddle "or else." And this little event, while it didn't make the headlines, is a biting commentary on what happens when the people surrender their rights and liberties to iron-clad political rule. No one attempts to win over the opposition by argument, as in a democratic nation—after all, machine guns, exile and brutal persecution are temporarily more effective instruments for keeping in power. The man who raises his voice in dissent gets short shrift indeed.

Here in America we pride ourselves on the fact that we may still speak our minds—that no man is master of our destinies—that the forces of dictatorship have been kept firmly in leash. But pride in this is not enough. It cannot too often be repeated that the price of liberty is eternal vigilance at home. We can unconsciously surrender rights until one day we awake to realize, too late, that liberty is gone.

America watches events abroad with wonder and horror. Let America also learn from them.

PIANOS AND HORSES

Many of us are like a careless farmer who takes great pride in his horses and thinks he uses every precaution to keep them strong and healthy. Yet he beds them down every night in a deadly firetrap—a barn filled with unnecessary fire hazards.

Are you like that farmer? Is your home or your business an inexcusable firetrap, endangering lives and possessions? Dusting the piano when the attic is a refuse-cluttered powder key is a poor way to preserve the piano. Putting valuable papers under lock and key may not insure their safety nearly as effectively as cleaning out the store room back of your shop. Pianos and "valuable" papers can be replaced, but you have only one life, and so have the other members of your family.

Fire losses in the United States during the first ten months of 1939 totaled \$258,291,480. Between twenty and thirty million dollars worth of property went up in flames each month—upwards of a million dollars a day. Fire is an insidious destroyer. Its ravaging attacks are scattered far and wide. Its toll in lives and dollars escapes the comprehension of most of us. We hear the fire engines occasionally and may see a little smoke "uptown" somewhere. But beyond that, fire seems to us a remote evil, until it strikes—then it spells quick and terrifying destruction.

Don't wait until too late. Clean out that attic—before you dust the piano. Remember the farmer and his horse!

NOT SOFT-HEADED

Recent news from the New York milk shed, where labor troubles have long made the headlines, indicates that Mr. American Farmer is keeping his head.

Representatives of producers, such as leading marketing cooperatives, working with government officials, proposed a new plan for bettering prices and stabilizing markets. That plan was fought hard by radical groups which have attempted to sway New York farmers. But, when it came to a vote, 97 per cent of the farmers, according to the Dairymen's League News, voted for the plan. It is estimated that the plan will add at least \$10,000,000 to the income of dairy farmers in the New York milk shed by May 1.

THE POLITICAL KEYNOTE ECONOMY

CONTAINING CONTRIBUTIONS FROM OUR READERS
ON TIMELY SUBJECTS

(EDITOR'S NOTE: The sentiments expressed in letters to this department are not to be interpreted as the opinions of this newspaper.)

January 10th, 1940

The Messenger,
Paterson, N. J.
To the editor:

Seems to me we had just gotten rid of one Ridgewood commissioner and now in the person of Dr. T. V. Connolly, we have another.

Paterson surely is large enough and there are plenty worthy men without appointing a man who lives out of town.

Isn't there something that can be done to give Paterson to its own?

Sincerely,
"A PATERSON BOOSTER"
Paterson, N. J.

January 5, 1940

Mr. V. Parrillo, Editor
The Messenger, 549 Main St.
Paterson, New Jersey.
Dear Mr. Parrillo:

On behalf of the officers and directors of this organization, as well as the thousands of Passaic County residents who are affected by our health promotion services, I wish to take this opportunity to express sincere and

heartly appreciation of your aid. Your continued co-operation with the ideals of life and health preservation work by publication of educational material from this organization has vastly benefitted your readers and our campaign for the eradication of tuberculosis.

The 30 years struggle against this needless disease has resulted in outstanding progress. From the leading cause of death, it has decreased in importance until it stands now in 7th place; education has been an important factor in this success. Never would the effectiveness of educational efforts been achieved without the wholehearted cooperation of the press. Again, in conclusion, our sincere thanks.

Respectfully yours,
M. J. Plishner,
Public Relations Sec'y

COURT ADJOURNED

Due to the death of the mother of Court Clerk William E. Herdman, there was no session of the First Criminal District court Wednesday. During Clerk Herdman's absence his duties were handled by sergeant-at-arms Everett D. Harford as acting clerk.

Engineers Recommend U. S. Pay Cost Flood Work

Army Engineer Explains Plan Flood Project

Municipalities Organize To Back Move; New Facts Are Revealed

The \$30,000,000 flood control project for the Passaic Valley by United States Army engineers, with complete Federal sponsorship, is still a possibility.

This was held at a meeting of interested agencies held last night in Roseland. The meeting sponsored by the West Essex Regional Planning conference was from all indications a great success. Previously unknown facts of the \$30,000,000 project were revealed at last night's session.

One of the main points brought out at the meeting was revealed by John M. Buckley of the New York area office of the army engineers. He revealed that his office had recommended the project be completely Federal sponsored. The district engineer has already made the same recommendation.

Other salient facts that were revealed for the first time were: That the project would provide for a permanent recreational park in the upper regions; that it would provide a permanent bird and wildlife sanctuary in the 22,000 acres to be used for the project, and that the entire land would still remain open for farming or dairying.

A huge reservoir which would be built at Two Bridges, Mountain View would be 15,000 feet long, nearly three miles long, and would reach a maximum some places of 40 feet high. Fifty-seven percent of the present plan is swamp and marshland. The land that would be taken over by the project are natural flood basins, and that all homes in that area would necessarily have to be removed.

KIWANIS AFFAIR

The annual Kiwanis formal dinner and dance will be held at the Alexander Hamilton hotel Saturday night. It will be a reception to both the incoming and retiring officers of the service group.

Henry Waddington Renamed Head Of Valley View Staff

At the annual organization meeting of the board of managers of Valley View sanatorium, Henry Waddington, of this city was re-elected president. Henry C. Speer, of Hawthorne, was re-elected vice-president, and Superintendent Stephen A. Douglas, M.D., was continued as secretary.

The board also welcomed two new members, Richard Lowe, of Paterson, and Freeholder George Kearns, the latter with Freeholder Director John McNaughton, being representatives of the Board of Freeholders. The other members on the board are Dr. Francis A. Ash and Mrs. Anna Gilmore, both of Paterson; and Dr. Orville R. Hagen, of Preakness.

Waddington was elected president of the Board of Managers last December 5 to fill out the unexpired term of Dr. Charles J. Murn, who resigned his post to become jury commissioner.

Two Italian Films At Lazzara's Hall

At the Lazzara Music Hall, Friday, Saturday and Sunday the Esperia Film Distributing Company will present two feature motion pictures Angelo Musco in "King of Diamonds" and "The Black Pirate."

Mr. Lazzara who has made it possible to bring to Paterson first run pictures of the highest calibre had this to say when interviewed by one of the reporters.

"The Italian films which are currently playing at the music Hall are pictures which are

shown here as soon as they are released from Broadway. We have arranged a program where every two weeks we are going to give to the Paterson public the best there is in Italian films."

To You I Tell It...

by JOE DE GISE, JR.

FACTS ABOUT A FINE LAND...

FINNS call their country "Suomi" (land of lakes) . . . More than 10 per cent of the country is covered by some 65,000 lakes . . . Since the disappearance of Poland, Finland is the sixth largest country in Europe. But because half the territory lies above the Arctic Circle, 90 per cent of the population live in the southern half of the country . . . The Finnish language has a few common roots with the Hungarian and some modern words borrowed from other languages . . . The Finns, a Finno-Ugrian race, began settling in the North from the early days of the Christian era, and because of their isolation are today one of the purest racial stocks in the world . . . For 700 years, until the beginning of the 19th century, Finland was the battle ground of the Swedes and the Russians . . . With a population of 3,000,000, only 149,367 are listed as workers; the country has fewer than 4,000 factories, mostly wood and paper mills . . . Less than 20 per cent of the people live in towns. Only eight cities have more than 10,000 population; Helsinki, the capital, has 286,000 . . . More than 96 per cent of the Finns belong to the Evangelical Lutheran Church . . . The per capita debt is about \$50 . . . Grain and dairy products are the country's chief crops, the country now being almost self-sustaining (coffee, now a national drink, and American cigarettes are most needed in war time) . . . chief exports are lumber and wood . . . Crowning irony to Finns in their present predicament is the fact that for 20 years before 1917 Finland was a hideout for Bolsheviks; Lenin, first leader of the Soviets, once hid in a Finnish haystack while awaiting for the Russian revolution.

REAL LIFE FROM "LIFE"...

INTRODUCING THE MANZA FAMILY...

Sirs:—

In your issue of December 18, page 22, with reference to the Cleveland relief situation, you stated "Manza owned a restaurant, and lost it in 1930, has been idle since. His wife has borne him eight children the eldest being 10, another is on the way."

Manza may have been unemployed but, certainly, he has not been idle . . .

* * *

SO THEY TELL ME...

A former County chairman who for many a year was well taken care of by the Duffy family was turned down when he went to Jersey City to see Mayor Hague about being fixed up for a job . . . Mrs. Neglia was refused permission to attend her husband's funeral . . . Her children wanted her to go . . . Paul Hardiman the Third ward alderman will be in the middle of another ward fight . . . it may be a three corner race . . . this the Hardiman group will welcome . . . or is it one group? . . . Wendell Furrey has taken the spotlight from all victorious Republicans . . . already has made a host of new acquaintances . . . The Trione Hunting Club will give Sheriff Louie Gollmer a dinner . . . "Chee Chee" Sciro will be the toastmaster . . . Marriage without children can hardly be called a howling success . . . The Ten Commandments are good examples of broken English . . . You can tell a faithful husband by the neckties he wears . . . John Wegner gave up his job as a National Youth Director to go to work at Wrights.

Steam Table

by JACK DONNELLY

It looks as if Bill McKechnie is sold on the idea that Paterson's Johnny Van Der Meer will return to his 1938 form this year when he let's Lee Grissom go to the Yankees.

Not to take anything away from Joe Beggs but as a low-ball pitcher he'll do better in the National League as he has plenty on the ball; we'll hear a lot of him this year.

Did you know that "Red" Simko, the self-appointed cheerleader for Garfield's football team, thumbed his way to Miami and formed his own cheering section? ("Red" is the guy who threw lolly-pops to the fans during each game this season.) The trip cost him four bucks and today he's just as much a hero in Garfield as Benny Babula. That's school spirit.

Remember when Pop gave us a quarter on Sunday to go to the ball game at Doherty oval? We would leave home about one hour before game time and wait at the gate for the players and try to carry their bags in. If that failed, we would stand out in back of right field fence and wait for a ball that might be hit over. On the rare occasion this did happen we'd ruin our Sunday clothes in the scramble so that we could get in free and spend the "two-bids" for soda and cracker-jacks. When that didn't work, we'd finally go to the ticket office and pay for a "raincheck" and about the third inning if the game wasn't going so hot, pray for rain so we could use it the next Sunday. Remember? OH BOY!!!!

Passero Quintet Faces Triangles

In a regular North Jersey Major Basketball league game the Triangles A. C. will endeavor to get on the winning track when they clash with the Passero Boosters at the Lincoln Hall. Although both teams have been playing good ball the standing finds the Triangles in the cellar position with nine straight losses, while the Passeros are in sixth place with two victories in nine starts.

This will be the first meeting of the two teams this season and because of the keen rivalry a record crowd is expected to turn out for the game.

There will be two preliminary games one the Limberg Senior team will meet a team in their calibre of ball and the Lincoln Juniors with a winning streak of nine games will also meet one in their class. The big game will get under way at 9:45 p. m.

THOSE TROJAN TERRORS!

Haledon Rovers To Play Athenia Steel Soccer Booters Sunday

Winter Fishing Season To Last Till January 28

State Commission Lists Regulations For Enthusiasts In Ice-Fishing Sport

TRENTON—The New Jersey Fish and Game Commission today called attention to a new law respecting ice fishing, which fixes the winter season for pike perch, pike and pickerel from the first Saturday in January to the last Sunday in January instead of from January 1 to 20, the season previously in effect.

Under the provisions of the new act, the winter fishing season will continue until January 28. A penalty of \$20 fine for each pike perch, pike or pickerel unlawfully caught or found in possession of fishermen out of season is provided by the law.

The State Fish and Game Commission further pointed out the statute provides that pike perch, pike and pickerel may be taken through the ice with hand lines or with rod and line, each line to have but one hook attached. No person shall take, kill, catch or have in possession on one day more than ten in the aggregate of perch and pike perch, and ten in the aggregate of pike and pickerel, under a penalty of \$50 fine for each fish taken or possessed over the legal limit.

Haledon Booters Need Only Tie To Win First Half Championship

The most important soccer game of the season will be played Sunday afternoon at the Haledon Recreation oval. In a New Jersey State League game that tops the week-end program, the Haledon Rovers will clash with the Athenia Steel booters. The Rovers need only a tie in Sunday's fracas to gain the first half championship of the league and a place in the post-season playoff. A tie will leave them tied with the Trenton team for the first half honors.

The steelmen, one of the oldest organized soccer clubs in this section, have been playing good ball and are coming up stronger each week. Only three weeks ago the Athenia Club just about tossed the championship into the laps of the Rover boys by trouncing the Kelleys at Trenton.

The Rovers, a youthful team composed of former scholastic players in Paterson, Hawthorne and vicinity, are coached by Freddie Trent, ex-Central High star and Hawthorne High coach, who once played an outstanding game with the young Towata Rovers.

The game will get underway at 2:30 o'clock, with Larry Mawhinney as referee.

Ghosts Play Passaic At Home; Central Favored Over Harrison As Bears Seek Fifth Straight

SCOTS IRISH AT KEARNY

Stellar Attraction Promises To Be Sellout

The meeting of the Scots and Irish always a stellar attraction should prove to be sellout at Kearny Sunday. The teams have already met on three occasions this year, with the honors even. Each won one game while the third ended in a draw.

The Scots are at present leading the American League race, with only two defeats chalked up against them. One of these defeats was a protested game awarded to the Hispanos.

This will be the only American League game over the week-end.

Central To Face Montclair Friday

Colts Swimming Team Smallest Program In Years

Central High swimming team will open its season Friday afternoon at the Y.M.C.A. pool opposing Montclair High's strong squad. Likely stars in tomorrow meet are expected to be Frank Neubold in the 220-yard free style; Martin Dorman and Bill Comer in the sprints; Jack Watters in the diving and Ted Bland in the breast stroke. Bob Gaugher, a newcomer is expected to perform in the 100-yard free style.

Graduation and over-age ineligibility has caused Central High to schedule its smallest program in years for this season. Coach Dan Gross has scheduled eight meets this season. In this way he believes that there will be no strain on the youngsters. Replacements, capable enough to fill the shoes of past performers as Dave Templeton, Henry Cowan and Ed Probert have been slow in appearing.

Little is known of Montclair's squad but it has been a power in Northern Jersey swimming in past seasons.

SPECIAL MATCH

A special ten-game bowling match between Eddie Botten and Junie McMahon will be rolled at the Passero alleys on Sunday night at 9 o'clock. Total pins for the ten games will determine the winner.

Eight Important Basketball Games Scheduled For Friday

Eastside High's basketball team will make its 1940 county league bow tomorrow afternoon when it opposes Passaic High team. Eastside's fast little team, handicapped by lack of reserve strength and height, will face a hot and cold Passaic team at the local gymnasium in one of the eight important games booked for local scholastic play tomorrow. Passaic, beaten twice in league play, turned in the best game of the season when it stopped the Garfield aggregation cold last Tuesday. Previously the "Boiler-makers" had beaten Passaic at their home court by a six-point margin.

Undefeated Central High is expected to have an easy time with Harrison tomorrow night at Eastside High court. Harrison sporting one of the weakest teams in the history of the school, should have an easy time of it. Only last week Lodi beat Harrison by a margin of 21 points. Central seeking its fourth straight victory will have the same starting lineup that has compiled the winning record to date. Dave Leishman and Elmer Davis at the forward berths, Ted Repella at center, and Jimmy Morris and Shotsie Johnson at the guards.

Other interesting battles will be fought on the ribbed court tomorrow. State Teachers will return to its home court and face Pace Institute, who boast of a sturdy club, Hawthorne "Bears" will go after their fifth straight victory in meeting Butler, St. Bon's will face St. Joe's High at St. Bon's, and Ramsey will face a stiff opponent in Lodi tomorrow, battling little Lodi at home.

KOSSUTHS VS. KELLEYS

The Kossuths will play the Sharkey Kelleys Sunday at Trenton to open the second half of the state league play.

STOP!—Here's a stop signal on the high seas. Dutch merchantman, S.S. Alioth, is halted in North Sea by Dutch warship for inspection of papers and cargo. Idea is to verify veracity of her claimed origin and ascertain kind of cargo she carries under Dutch flag. Note sailor with 3.7 mm. gun, at right.

Scene From "Swanee River" Played At Fabian Theater

What Do You Know About Health?

By FISHER BROWN and NAT FALK

1. WHO IS ANNA WESSELS WILLIAMS?

Answers: 1. She is one of the country's foremost bacteriologists, and has made one of the most valuable contributions to medicine. Discovered strain of bacillus which made possible mass production of diphtheria toxin-antitoxin, and has almost banished that dreaded disease from the world. She devised a quick means of diagnosing rabies. Under orders of the U.S. Government she studied the last big flu epidemic. Her report shot a new beam of light on that little-known scourge.

2. WHAT TYPE OF DIET IS BEST FOR PERSONS OF ADVANCED YEARS?

3. DOES A SEWAGE POLLUTED BROOK PURIFY ITSELF AFTER FLOWING A MILE?

2. Simple meals are usually more easily assimilated by the aged than are the heavier meals of men and women in the prime of life. Milk, eggs, strained vegetables, fruit juices, well-cooked cereals and cereal puddings should form a large part of this diet.

3. No. A brook, no matter how clean and crystal-like the water, may be a source of danger from its sewage discharged into it. Typhoid fever is frequently contracted by those who drink the water of a sewage polluted brook.

John Hubbard and Joan Bennett in "The Housekeeper's Daughters"

EIGHTH DINNER DANCE

The Alpha Chapter of the Delta Mu Beta fraternity will hold its eighth annual dinner dance, January 20th, at the Swiss Chalet at Rochelle Park. Ray Wiley is chairman of the affair.

REGENT

"Day Time Wife" starring Tyrone Power and Linda Darnell, tops the bill at the Regent theater. The story tells of a hilariously romantic carryings-on of a husband who goes whistling under the wrong balcony (his secretary's and a perfect peach of a wife who rests on her oars (but not for long).

The co-attraction is "The Cat and the Canary" a thrilling story starring Bob Hope and Paulette Goddard.

Starting Saturday and playing through Tuesday, the Regent theater will present a program that is headed by "Ninotchka" with Greta Garbo and Melvyn Douglas, as one of the finest films produced for the screen. The co-feature is "The Return of Dr. X" with Humphrey Bogart, Wayne Morris and Rosemary Lane. Saturday matinee will offer extra attraction, Cartoonland.

The M. D. Says:

Health and Welfare Conference Stresses Health Education

"A long range educational program by public health agencies in cooperation with medical groups should be carried out designed to stress the importance of early medical attention in cases of acute illness."

This statement was among the recommendations submitted to Governor Moore by the New Jersey Health and Welfare Conference, a committee which recently surveyed health conditions in New Jersey.

This weekly feature, begun more than two years ago by the state organization of physicians in New Jersey, was started as an effort in the direction of health education now recommended by this special committee.

NICE 'MENACE'—In her first extended radio engagement, Bettina Hall, erstwhile musical comedy actress, portrays the role of Diana, society girl "Menace" in the CBS serial, "My Son And I." Miss Hall was born in Providence, R. I., educated in Boston. She has had a variety of roles in stage productions.

Uncle Dave Macon of "Grand Ole Opry" plays guitar left-handed... Osa Massen is Mrs. Allan Herscholt, Jean's daughter-in-law.

...Current Attractions... AT LOCAL THEATRES

GARDEN

John Hubbard, who plays his first important role to date in Hal Roach's "The Housekeeper's Daughter," which begins a run at the Garden theater today through United Artists release, received his early Thespian training at the Chicago Art Institute where he distinguished himself with the Goodman Theatre Players.

As soon as this deal was concluded Hubbard was assigned the role of Robert Randall in "The Housekeeper's Daughter" opposite Joan Bennett and Adolphe Menjou. He impersonates the scion of a wealthy family who get a newspaper job and helps solve a baffling murder mystery. Hubbard is the virile, he-man type of leading man—he is six feet tall, has brown hair and blue eyes. He was born in Hammond, Indiana, and earned his first money as an usher in the largest theater in his home town.

MAJESTIC

This is the era of colored entertainment and the biggest one now touring the country is the all-new "Hello Harlem" which makes its bow on Friday matinee at the Majestic theater in Paterson, commencing a four-day tarry with 3 shows being presented daily.

From the biggest of the colored revues and cabarets come the talent that offers this sparkling Ethiopian entertainment; names there are on the roster known and admired wherever musical pieces have played. Some of the principals are making their initial vaudeville appearance, all have played in higher-priced offerings prior to their "Hello Harlem" engagement.

Just glimpse this array of performers and try to recall any single show within memory that has ever had so many stars: the "13 Sunset Royal Serenaders," star recorders of phonograph records and radio fame; the team of Earl & Francis; Ralph Brown, Judy Cardova and Jeli Smith.

Then there is comical Butterbeans and Susie, as drol a colored team as ever made an audience shriek with merriment.

In addition to the stage performance, films will be offered.

U. S. THEATER

Starting at the U. S. theater Friday the management will present Robert Taylor, Greer Garson and Lew Ayres in "Re-

member." It's one of the best howling romance story produced by Metro-Goldwyn-Mayer. The supporting cast in the picture are Billie Burke, Reginald Owen and George Barbier. The co-feature on the same program is "Scandal Sheet" a newspaper story featuring Otto Kruger.

FABIAN

The very heart of America is embodied in the familiar melodies of Stephen Collins Foster, inspirationally expressed in such songs as "The Old Folks at Home," "Old Black Joe," "My Old Kentucky Home," "Oh! Susanna!" "Jeanie With the Light Brown Hair" to mention but a few.

Foster born in Pittsburgh in 1826. He died 38 years later in a shabby Bowery lodging house to which he had drifted. Yet today the name of Stephen Foster, the great American troubadour, is written imperishably in the nation's culture.

"Swanee River" has recently been filmed in Technicolor, a dramatization of Foster's life from the time he reached manhood.

Don Ameche portrays Foster and Andrea Leeds, a young emotional actress, portrays Jane McDowell, his sweetheart and wife for whom Foster wrote "Jeanie With the Light Brown Hair." Al Jolson portrays E. P. Christy, American minstrel king. The colorful, romantic days of minstrels and river boats, are brought stirring to the screen in "Swanee River."

A danger-packed world that is a law unto itself is the thrilling setting of "City of Chance," this week's co-feature picture.

Lynn Bari heads the cast, as the daring girl reporter who, with seven others, faced danger and death, in eight exciting hours behind bolted bronze doors. C. Aubrey Smith, Donald Woods, and Amanda Duff are also featured.

Warner's newest patriotic technicolor feature, "The Monroe Doctrine" rounds out the program.

RIVOLI

O. Henry's smiling desperado of the Old Southwest, the Cisco Kid, finds new adventure in Arizona and deadly danger in a beautiful senorita's eyes, as he returns to the screen in "The Cisco Kid and the Lady."

Handsome Cesar Romero is the new Cisco and a more daring, romantic figure never roam-

ed the Western bad lands. Featured in the cast are Marjorie Weaver, Chris-Pin Martin, Geo. Montgomery, Robert Barrat, Virginia Field and Harry Green.

In the screen play by Frances Hyland, based on the original story by Stanley Rauh, the Arizona stagecoach is robbed, a gold mine is plundered and bad men die right and left of pistol poisoning—all of which puts the Cisco Kid in the mood for love!

Not since the immortal "Cimarron" has Richard Dix had such a powerful role as in "Reno," in which he is co-starred with Gail Patrick.

A vivid, dramatic story of the founding and growth of the Nevada city, the compelling film presents Dix as an enterprising lawyer who settles in Reno in the pioneer days of 1905.
