New Jersey State Agricultural Society.

COR. SECRETARY'S OFFICE, SOMERVILLE, AUG. 30, 1855.

Dear Sir:—

I have the pleasure to enclose herewith to you a list of the Judges appointed to act in connection with yourself at the approaching Fair, commencing Sept. 18th., at Camden.

You will also find enclosed a ticket that will admit you at all times during the Fair, on presenting it at the gate. Retain it for your own use, but carefully avoid misplacing or losing it.

On the calling of the list at 12 o'clock on Wednesday, you will be given a badge which you will please wear while on duty upon the grounds. This will designate to the Judges, who are entitled to act in that capacity, and thus prevent intrusion and interference.

It is supposed that the duties of the Judges can, in most instances, be fulfilled on Wednesday, 19th inst.

I have the honor to remain

Yours obediently,

J. HATFIELD FRAZEE.

Cor. Secretary.
