Patriotism, Charity and Harmony.

Newark, N. J., 1858.

Daniel Reidel, Esq.

Sirs:—The Order of United Americans, believing that a constant recurrence to the precepts of Washington and his Country cannot fail to be for the political good; and furthermore, believing that the present period in our national existence, and especially the political history of the past year, calls loudly for a renewal of those professions of union and brotherhood which Washington has taught us to inculcate into the hearts of all who love our country and her institutions—the Order in this City will celebrate the Twenty-second of February ensuing, in such a manner as will tend to secure the end aimed at, and testify our reverence for the memory of him, who was "first in war, first in peace, and first in the hearts of his countrymen."

The honor of your presence on this occasion is respectfully solicited.

E. B. Earl,
A. D. Wilson, Committee on Invitation.
J. W. Smith,

The Exercises will take place in the Halsey-street M. E. Church, on Monday Evening, February the Twenty-second.
