

ROAD MAP  
OF  
THE STATE OF  
**NEW JERSEY**

From Original Surveys of the N.J. Geological Survey  
based on the triangulation of 1861, 1862, and 1863. Survey  
Scale: 1 inch to 40 miles

FRANKLIN GILLESPIE 1895 ROBERT A. MEERER  
Commissioner of Public Works Department of Public Works

Legend

The dotted and dashed lines indicate proposed or to-be-built roads  
the condition of the State's own public roads only those of  
the following class built by the State, or under contract  
with the State, and the condition of the roads is as follows:  
Solid lines of green color where roads built on State  
property and where the State is the owner of the road  
dotted lines where the State is the owner of the road
