Dear Friend:-

Irish Tracer - 6,000

Whittier House needs the little book, sent you a short time ago, to send it on to another friend.

Voluntary subscriptions are our main support.

Whittier House has given 34 years of service to the girls - the boys - the mothers of lower Jersey City.

Help us to carry on.

Dear Friend:-

Second Tracer - 4,000

The Whittier House booklet - has it been mislaid?

Its return will help us to carry on our work.

If the booklet is lost, a cash gift or pledge without the booklet will be appreciated and you will help Whittier House to add another year to its 34 years of service.
