WHITTIER HOUSE

CORNELIA F. BRADFORD, Founder

174 Grand Street

Jersey City, N. J.

Telephone Montgomery 3094

October 1st, 1928.

Today the boys of the neighborhood are gathering to register for the winter's clubs and classes.

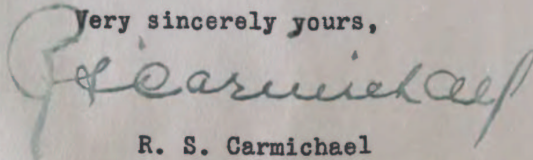

Whittier House is old and yet as young as the youngsters just growing up.

There is always a little Tony, Gustav, Mike or Jan to follow their older brothers who are now better men because this house has existed for thirty-five years. These lower city children are your children's future fellow townsmen. Are they to be good or poor citizens?

Only with your support can we go forward.

We are sending no booklets or post card reminders, relying on your kindness to send your subscription now or on the same date as last year.

Very sincerely yours,

R. S. Carmichael
