## Shevuoth and Confirmation Service

SIVAN 6, 5728

JUNE 2, 1968

### *The Confirmation*

*The Confirmation of our children is a religious ceremony, confirming and reaffirming in each generation the devotion and loyalty they feel toward their Judaism and their people. Confirmation does not imply graduation but corroboration. It is not an end to Jewish learning and commitment, but the beginning of a deeper wisdom and understanding of our great and noble heritage. The holiday of Shevuoth commemorates the time of the Torah-giving at Mt. Sinai and Israel's proclamation — "We shall do and we shall hearken!" This spiritual rededication is both personal and collective. We hand it down from generation to generation ever declaring the glory of God and Jewish steadfastness to the religious, ethical, moral and just principles of life.*

CLASS AFFIRMATION

Thou O God, hast fashioned the world in beauty and in splendor. Thou hast endowed it with wonderous color and fragrance. Every flower and every blossom speaks of thy wisdom and tenderness. In bringing to Thee our offering, we signify our reverence for the mystery, beauty and purpose of life. As we grow to maturity, may our lives be in harmony with Thy purposes. May our deeds reflect our loyalty and devotion to the Torah, to the children of Israel and to the children of men everywhere. Amen
