Miss Julia Malsheizer,  
Whittier House,  
Jersey City, N.J.

Dear Miss Malsheizer:

I have yours  
of the 2nd enclosing copy of letter  
appealing for funds. I take it that  
this is a sample of a series of let-  
ters that will go out.

At your request, I am enclosing  
a list of names of people who might  
be interested in your appeal. They  
should all be addressed at Short Hills,  
New Jersey.

As I explained to Miss Bradford,  
I think it would be advisable to sign  
your own name to these letters, and  
not mine.

Very truly yours,

*Frederick P. Craig*

Mr Burlingame and Mrs. Strong are  
already contributors, so you may not want  
to send your letter to them.
