

I

(To tune of Annie Laurie)

We take this sad occasion
To bid thee fond adieu
For your kind and loyal friendship
Our hearts go out to you.

Chorus:

Our hearts go out to you
For you've proved yourself so true
For your kind and loyal friendship
Our hearts go out to you.

II

Though your kindly face be absent,
Though your desk be lone and drear
In our hearts are cast reflections
Of you, for you are dear.

Repeat Chorus:

We will fondly wish you here
For to us you are so dear
We'll remember you with gladness
And we'll fondly wish you here.
