REGISTER OF VOLUNTARY AGENCIES

The Advisory Committee on Voluntary Foreign Aid, successor to the President's War Relief Control Board, was established by the Secretary of State and the Secretary of Agriculture by directive of the President of May 14, 1946, "to tie together the governmental and private programs in the field of foreign relief and to work with interested agencies and groups." The purpose of the Committee is to guide the public and the agencies seeking the support of the public in the appropriate and productive use of voluntary contributions for foreign aid.

By Presidential direction, the Advisory Committee is attached to the International Cooperation Administration. The Staff operations are attached to the office of the Deputy Director for Technical Services of I. C. A.

X

The rules governing the registration of nongovernmental, nonprofit agencies engaged in voluntary foreign aid are promulgated in Part 203, Chapter II, Title 22, Code of Federal Regulations.
