

N. E. VIEW OF NEW BRUNSWICK, N. J.

On the right is seen the Railroad bridge, above which, on an eminence, is seen Rutgers College. The Delaware and Raritan Canal, passing along Raritan river, is seen in front of the city.

From: J. W. Barber & Henry Howe, Historical Collections of the State of New Jersey (1844), opposite p. 312. Appears also in edition of 1868 (opp. p. 321) with added note: "Drawn April 24th, 1843."
