

HUDSON

Note:
 There are two series of stations on this map: old stations, shown on the center line, for mere reference, and new, survey line stations, shown on the new track.
 The new series begins at Little Ferry Jct. Line Undercliff Branch - (See the Main Line N.Y. & N.J. and increase eastwardly).
 The old series begins at the Hudson Bergen Co. Line (See Terminal map J) and increases eastwardly.

Approximate Location of Exterior Line of Solid Fill, 1903.

Bulkhead Line Approved by Secretary of War, 1914.

Exterior Line of Piers established by War Department, 1901.

Marked Lines approved by Secretary of War, 1914.
