1	0:26	Stephanie	I'm going to make a shirt and I'm going to put W for white in it
2		Michael	White shirt, white pants
3		Stephanie	Blue and then Yellow shirt. He has a pair of blue jeans and a pair of white jeans. How many different outfits can he make?
4		Michael	He can only make two outfits
5		Stephanie	No how many different outfits. He can make a whole lot of different outfits look. He can make white and white
6		Dana	He can make all three of these shirts with it
7		Stephanie	Yeah, but shh. You can make it different ways too just like look white and white, that's one by doing W and W. Two could be blue, blue jeans and a white shirt
8		Dana	Yeah, we'll just put with with..
9		Stephanie	Shhhh. Okay yellow shirt and number three could be a yellow shirt and
10		Dana	The yellow shirt can go with the white
11		Michael	I'm doing blue pants and white shirt and then I'm doing blue pant blue shirt.
12		Stephanie	But how many outfits can it make it doesn't matter if it doesn't match. As long as it can make outfits. It doesn't have to go with each other Dana. It can make more if you put them mixed up, just watch. I'm on my third one right here. Number four it could be blue shirt and blue pants. Number five can be a white shirt and wait it can be a blue

			shirt with ..wait did I do a blue and white?
13		Michael	That's two
14		Stephanie	It can be
15		Dana	What's two?
16		Stephanie	It's a blue shirt with white pants. A yellow shirt, did I do yellow and blue? A yellow shirt and blue pants. You know there's five combinations. There's only five combinations because look
17		Dana	Wait let me see your paper
18		Stephanie	You can do this, listen Michael. You can do five combinations. You can do number one – White and white, number two blue and white, number three, yellow and white, number four blue and blue and number five yellow and blue.
19		Michael	I got these four.
20		Stephanie	You can do four combinations Michael. I'm sure of it.. I mean five.
21		Dana and Stephanie	We're done, we can make five combinations
22	3:30	Researcher	Okay what did you do, what are you're combinations
23		Stephanie	White and white, a white top and white pants. I got a blue top and a white pants, I've got a yellow top and white pants. I've got a blue shirt and blue pants. I've got a yellow top and blue pants.
24		Researcher	Is that all the ways' you can make it?
25		Dana and Stephanie	Yeah we're pretty sure.
