Re: Barbadian Workers

Gentlemen:

Enclosed is a copy of a communication received from the State Manpower Director for New Jersey with respect to certain Barbadian workers who have failed to keep the contract under which they were permitted to remain in this country.

Your cooperation in locating these individuals and presenting them to Camp Murphy, Florida, for deportation will be appreciated.

In each instance, the employer is responsible for their transportation and we shall be glad to assist you in securing the necessary tickets.

Very truly yours,

Paul C. Lewis,  
Regional Director
