Mr. Silver :-

Dear Sir :-

In reply to your request, am
writing below Mr. David G. Ackerman's present
address. 2nd Lieut. 313th Field Artillery
Camp Lee, Va.

Respy. Mr. J. E. Ackerman

3/3rd Field Artillery
Camp Lee Va.

My dear Silcox,
Your War Service Bureau
is a great innovation
and you may be
sure is greatly
appreciated. It fills
a real need and
I want to express
my thanks to those

who have instituted
it.

I am looking forward
to the mail which will
bring me the quarterly
and the supplement
containing the list of
Putnam men in the
service.

The curriculum here
is much more stren-
uous than that of

College but equally interesting
as you may imagine.

The only fault I have to find
with it - is that it gives one
no time in which to keep
in touch with one's former in-
terests. Through the Bureau you
have succeeded in doing this, in
part at least.

Thank you again and

(4)
please give my kindest
regards to any of my
former instructors who
may still be with
you at college.

It would be interesting
to know if any of
them have left for
service elsewhere. Could
you include such items
in one of your letters?

Sincerely-

David G. Acherman
2nd Lieut. 313 F. A.

Nov. 4th

November 7th. 1917.

Mr. David C. Ackerman,

Second Lieutenant 313th. Field Artillery,

Camp Lee,

Virginia.

Dear Dave:-

It was mighty good of you to take the time to write me a personal letter and I appreciate it. The Quarterly will be mailed to you some time this week. It was late in appearing because of some difficulty in securing paper for the cover. The only member of our Faculty who has gone into service so far is Mayne S. Mason, Instructor in Electrical Engineering, who has entered aviation. Twiss, as you know, was down at Fort Myer and is now helping out here in the Military Department, and our Agricultural professors are all doing more or less war work in connection with the food problem. I understand that Billetdoux has applied for a commission as Interpreter, but that about concludes the list. Pete Ainsworth was home Sunday and asked me to remember him to any of his friends to whom I might write.

Good luck to you and best wishes,

Very sincerely yours,

Mr. Earl Reed Silvers,
New Brunswick, N.J.

My Dear Mr. Silvers:-

Your call for data in connection with the history of Rutgers and her sons in the great war, as well as the call to dinner on June 9th. is at hand.

My son David G. Ackerman 313th F.A. is on his way home, if I can rely on the report in today's papers, and I am sure both he and myself will be at the dinner if he can manage to get his discharge or a leave for the purpose.

May I suggest that you delay publishing the history of our part in the war until you obtain a true and complete data of the part each man played.

David alone can answer your request for data in his case, (second notice of which has come to his home) and will do so immediately upon his return.

Hoping you all the information necessary to make our War Book a great success and to see you on June 9th, I am,

Very truly yours,

John E. Ackerman 79
