My dear Mr. Silver—

Reached here with no trouble and immediately went to hard work. I know I shall like the work because I am already interested. It's a great life. The Rutgers Camp Dix men came in yesterday. We now have twenty three here ~~now~~. I believe. We can not possibly get away for commencement.

Sincerely, Eugene E. Bayer

Dear Mr Silver:—

You have no doubt been informed as too our new address thru Bert Howell. He & I compiled a list of the Rutgers men in the Battery. We are showing up well and hope all are recommended in the end.

This is a great country down here. Louisville lives up to its reputation for pretty girls. They take good care of the O.T.C. men too. I was very sorry to hear about "Red" Reese & Jimmy Soare. The war service letters are always welcome.

Sincerely, Eugene E. Beyer
