Dear Bro. Bell & War

Service Director:

Enclosed please  
find my military history,  
such as it is, also a  
statement of my honorable  
intention to be present June 9,  
in citizens' clothes.

As for souvenirs, the only  
one I have was handed me  
by an army mule, and I  
cannot part with it. It  
is on, or off, my shin bone.

The only thing I could offer  
in its place is the ~~use~~  
use of a nurse for a few hours.

Thanking you for the  
two service letters, which  
were very interesting; I am

Yours in the bonds,

A. D. Clarke
