Atlantic City, N. J.

My dear Mr. Collins:-

Word has just reached me, at this late date, of the death in action of your son, John I. Collins, of the class of 1918. I shall be greatly indebted to you if you will send me your son's picture for our Alumni Quarterly and our College War Book, and also all facts you may have concerning your son. If you have received any letters from his friends in France telling about him we shall be grateful for copies of them also. Anything you may care to send will be returned to you within three weeks or so.

May I send you my sincerest sympathy.

Very truly yours,
