My Dear Mr. Silvers:-

Ellis Beveridge Cook of the Rutgers Class of '21 is now a private in the U.S. Coast Artillery, Company 19, and is just now at Fort Hamilton, Brooklyn, N.Y.

This reminds me that I wish very much that Ellis can be entered in the Training Camp or Class which as I understand it opens in October at Fort Monroe, Virginia.

He tried to enter the class which is now in training there but was refused admission after being sent there by the enlistment board (if that is what it is called) of his district, on account of some change in rules made without any notice to him.

Please be assured that I will be glad to be of service to you personally or to the War Service Bureau of Rutgers College.

Yours very truly

Paul Cook

My dear Mr. Cook:

Thank you for your letter of July 31st containing the notice about Ellis. We have no information here at the College concerning the training camp you mention but if there is anything at all we can do to aid Ellis in securing an appointment I do hope that you will not hesitate to call upon us.

Cordially yours,
