Base Hospital, Officers' Ward,
Camp Pike, Ark,
July 12, 1918.

As you will notice above the Hospital has claimed me for a while and I have had a long "rest". Was operated on for acute appendicitis, then for hernia so as to be fixed up before leaving. Now I am leaving for a month and a half sick leave and will be at home, Glenburn, Pa. under the tender care of my family.

Yours sincerely,

Elwood L. Davis.
