Mr. James W. Dufft,  
145th Ambulance Company.  
112th Sanitary Tr.  
American Ex. Forces.

My dear Mr. Dufft:-

It is good of you to write your letter of November 12th and I appreciate your kind thought. It would be a splendid thing if you could return again to college. I am sure that the added experience would make you appreciate our campus life all the more and that college would benefit you greatly after your months in the army. The policy of the administration is to do everything possible for the boys who have been in service. When you find out just when you will return to the United States it would be a good thing to write Mr. Martin who is making all arrangements for college re-entrance.

With kind personal regards,

Cordially yours,
