Dear Reed;

9/16/17
Got your letter O.K. I will write you a letter
for the Quarterly later. When must you have it?
What are the prospects for the College this year? I am
awfully sorry not to be going back but I feel better
being here and if this business doesn't last too
long ~~and~~ maybe I'll take my other year later.

We are getting along finely here and everything is
O.K. as far as I'm concerned. Have you heard from "Pian"
since he landed? Write me a letter if you can find
time. I know you are busy, especially at the opening of college.
Maybe I can get up to Rahway some Sunday & perhaps I'll see you. Sub.

Dear Bob:

Thank you for your postcard of December 25th and
for the notice of your new address. I hope that you have
run across some Rutgers men down at Camp Meade as there are
a number of our Alumni there.

Everything is fine in Rahway but I have not heard
from Toady for about three months. If you care to write to
him his address is Base Hospital #8, American Expeditionary

Good luck to you and best wishes,
