Dear Pilous.

Recently I learned of and glanced
over one of your letters to old
Rutgers men in the service. I saw
this letter thru Schelle - 1919, I think
I don't know whether or not you re-
member me but at any rate, I'd
like to be included in your readers.
I made a bold start as a Freshman
in 1918 but held out only one year.

Of course I'm glad to be in the
United States service at last. I
tried long enough. But at the same
time for humanity's sake, I hope
the earthly devil and his tribe will
soon be exterminated.

Your service letters will find
me in Co H 312th Infantry A.E.F.

Sincerely yours.

Dear Mr. Forbes:

I am glad to have your letter of August 10th. I think that we have already put you on our mailing list but if we have not I shall most certainly include your name today. I am sorry that you did not make the O.T.C. as one of our Rutgers contingent; but I do hope that things will go well with you and that you will be able to serve the country fully in the capacity you now find yourself.

Very sincerely yours,

G
