

November 22nd. 1917.

Captain Edward E. Free,
Ordnance Department,
Secretary of War,
Washington, D.C.

Dear Sir:-

Dr. Jacob G. Lipman has advised me that by getting in touch with a Colonel Johnson we may be informed of certain openings for construction engineers. We have a number of engineers among our graduates, whom, I am sure would be pleased to learn of any chance for active service in their special field of work. If you will ask Colonel Johnson to give me the necessary information, I would be pleased to send out a circular to our graduates which may result in securing several men for Colonel Johnson's department. Any advise you may give me will be appreciated.

Very truly yours,
