

RUTGERS COLLEGE

CLASS OF 1901

WM. P. PATTERSON
PRESIDENT

MARTIN S. MEINZER
TREASURER

JAMES L. GARABRANT

SECRETARY

157 SOUTH MUNN AVENUE, EAST ORANGE, N. J.

May 7, 1918.

Earl R. Silvers, Esq.,
Editor,
Alumni Quarterly,
New Brunswick, N. J.

My dear Mr. Silvers:

Please accept my commendation of the last issue of the Quarterly which certainly contains very interesting material. I regret exceedingly that it seems impossible to get any news from members of my class. They do not respond to letters, and seem indifferent as to college welfare. I have at least two-thirds of the questionnaires in and hope shortly to make a further drive for the remainder.

I notice that not one out of my class is in the service of the United States Government. Perhaps, however, we are all helping in other ways and thus assisting in doing our part in bringing victory.

As one of the delinquent alumni who intended to respond to your appeal for the war service expense, and promptly forgot the same, I am enclosing a check for \$5.00 and hope that others will also wake up.

With best wishes, I am

Sincerely yours,

James L. Garabrant.

Earl R. Silvers,
Director War Service Bros.,
Rutger's College,
New Brunswick, N.J.

Dear Mr. Silvers:

Your circular regarding action in the present war received. I am very sorry that it is impossible for me to check off any of the positions given on the card.

However, I am trying to help the government in other ways with the loans and stamps and perhaps sometime in the future I may become more active.

For the past eight months my father has been very ill most of the time. His death occurred last Friday. Consequently my time has been pretty well engaged assisting at home. Furthermore for almost four years past I myself have been in indifferent health and it is only recently that I have found a physician that has been able to help me.

In 1917 I joined the home guards in April and had to resign in September as I could not stand the strain.

I hope to be able to send you a fair amount of news for the next issue of the Alumni Quarterly.

Very sincerely yours,

Dear Mr. Silvers;

Your circular notice was received, but owing to illness, not answered. I regret exceedingly that owing to an attack of the Grippe, while still keeps me home, it will be impossible for me to be present Wednesday evening. However you be sure that I will support whatever those present think wise to enact, and if the War Fund for furnishing news to the Boys is low, I guess I can spare another Five bones. for the cause. With best wishes to all, I am,

Sincerely yours,

Dear Mr. Garabrant:

I am sorry that you are ill and cannot attend the Alumni Council meeting to-night. It is good of you to offer to continue your support of the War Service Bureau but our funds are still holding out and we may not be compelled to call upon you again.

I hope that your recovery will be speedy and complete.

Dear Mr. Garabrant;-

I imagine that there will be at least a hundred Rutgers men in France and Germany until October, and to date we have received about forty dollars for Quarterlies. So, if you can spare it, the contribution you mentioned in your letter of November 27 will be very welcome. We appreciate your desire to help out at all times.

I'm sorry about the Supplementary Honor Roll, and will include your name and that of Porter '86 in the January issue. Thank you for your good word about the Quarterly. The magazine seems to appeal to almost everybody, and we are always anxious to get in touch with readers who find it wanting in any particular. If you will send me the name of your classmate who doesn't find it appealing, I shall be grateful. Maybe I can have a word with him and get his suggestions.

Cordially yours,

out, as you have suggested.
