Lieutenant Mahlon L. Harker,

A.P.O. 925,

American E.F.

Dear Jap,

I was very glad to receive your recent card from France. Rus Fleming told me several months ago that you were in France, but I could not seem to locate you, and the letters from college were not sent to you. From now on, I hope that you will receive them regularly.

With kindest personal regards,

Cordially yours,
