My dear Mr. Silvers,
Just a few lines
to tell you of my new promotion
in Uncle Sam's Army and that
is to 2nd Lieut. in the Signal
Corps. I recently graduated
from the S. O. R. C. T. C. at Leon
Springs, Texas. I am now
stationed at Fort Leavenworth

² And like it here very much.

I wish you ~~would~~^{would} make the correction in the Quarterly and also send me a copy as I sure do like to read some of the interesting stories in them.

I have received your many interesting letters in the last six months and hope I may receive them in the future.

Some day when I have more time I will write a description of the famous Disciplinary Barracks at this Post.

I am very anxious to hear
of what is going on at Rutgers
if you have quarterlies latter
than July I would like to get
one.

I will write a longer letter
some day telling my whole
course of events in the army,
hoping to hear from you
shortly, I am

Yours sincerely,
Wm. D. Hawthorne
