Earl Reed Silvers, Director,

Dear Friend:

I have just received your service letter # ~~XXXV~~, and it sure was good to get a little "dope" on the old college. I am "stranded," as there are no Rutgers boys in my outfit nor any where near me, that I know of. If it is ever possible for me to do so, I will get in touch with Base Hospital No. 8, and have a chat with the boys' there, but at present I am too far away.

Just think of the reunion when this show is all over! The boys will be so busy.

talking and slapping backs
that it would take a week to
finish it all.

I'll watch eagerly for each
letter and you can bet I enjoy
them.

Sincerely,

Groff B. Howell Ex-19.

Dear Mr. Howell:

It was good of you to write your
letter of September 21st. I hope that you do
manage to get in touch with base hospital number
eight and meet some of the Rutgers men there.

We are all looking forward to
the reunion which you have mentioned.

Cordially yours,
