Mr. Earl Reed Silver '13
Director War Service Bureau
Rutgers College, New Brunswick, N.J.

Dear Sir,

I wish to notify
you that John W. Johnson's '17 address has been
changed to U.S. Base Hospital # 8, A. E. F. France
You are doing a wonderful work and I think every
mother appreciates it.

Sincerely,

Mr. F. L. Johnson.

My dear Silvers,

Although it is rather
a late date I want to thank
you very much for the various
college publications which you have
sent. The letters and quarterlies
have been a fine thing in
keeping us in touch with the
college news. As you already
know there are a large number
of Rutgers fellows in this Unit
and a large delegation from
Princeton.

So far I have heard from
Al Skinner and Jesse Sabbath who
is over here with the 165
Amb. Co. San. In. Bunch '20
who is a Sergeant in the Med-
Coys stopped off to see us the
other day. I have also seen

Joe Costa, Y.M.C.A., St. Church '14
and St. Norcross '15. I think
these are all the Rutgers men
in the service whom I have
seen here.

Any news which I may
be able to tell you about the
Hospital will no doubt be old
to you. We have been having
a few ball games recently—
three in all of which we have
won two. "Don" Strick is capt
of the team and "Loody"
Bracher played in two games
so you see they upholding
reputations. "Loody's" efforts in
getting a football team together
last fall were not very suc-
cessful.

We were all mighty proud

of the record of the foot-
ball team last year and
hope the baseball team is
equally as good. With best
wishes for further success in
your War Service Bureau work
I am

Sincerely
J. M. Johnson '17

Dear Johnson:

It was good of you to write your letter of March 28th and to tell me that you fellows over there appreciate the War Service Bureau and its work. Remember me to all of the Rutgers men at the Base Hospital and tell them to write to me whenever they can find the time.

Very cordially yours,

Director
