Carl Reed Silvers:

Dear Sir:-

I am very sorry to have caused you so much trouble in locating me, but my reason for not giving you my address was that I am at present at home on inactive duty awaiting orders sending me to a ground school for I was recommended at Fort Meyer for the aviation section of the Signal Corps. That being the reason for my not receiving a commission in the line.

I want to thank you and all
Rutgers men for the wonderful
way the men in service are treated.
It makes one feel very proud to
know that there are people who
appreciate the little bit they are
doing for their country and the
cause of liberty.

Thanking you once more I beg
to remain

Very truly yours
Andrew J. Lynch.
