Camp Dix, N.J.

Dear Perry:-

Thank you for your letter of January 20th,
and for your note concerning Whipple Coleman. I have been
trying frequently to get in touch with him but have not been
able to draw any response so far, and I doubly appreciate
your thought in sending me his change of address. I am glad,
too, to know that you have been made a Sergeant and I hope
that you will continue to keep in touch with me.

With all good wishes,

Very sincerely yours,

Mr E. G. Silvers:-

Dear Sir:-

Having been in the service for the past seven months, does it prevent me from putting in an application for the Fourth Officers' Training Camp with the College?

Nothing has been done here about a Regimental quota being sent to the Camp. I could accompany my application with a recommendation from the Company Commander.

Sergeant George H. Perry,
Co. B, 311th Infantry,
Camp Dix, N.J.

My dear Mr. Perry:-

According to instructions from Washington, you are not eligible for appointment to the Fourth Officers' Training Camp in the Rutgers quota. Candidates must either be graduates of the college, or undergraduates who are, or have been, members of the Reserve Officers' Training Corps and who have completed one year of the advanced course at the college; i.e., Junior or Senior drill.

However, a last minute change may made. It would not do any harm if you were to send a letter of application to Dr. Demarest. A physician's certificate, and at least one letter of recommendation should accompany your letter. You will have to hustle to get them in, as they should reach us on May 1st.

Good luck to you.

Cordially yours,

My dear Mr. Perry:

I thank you for writing your letter of May 29th giving me your change in address. It has been hard to keep in touch with you men in Camp Dix and your letter was a very helpful one. I am sorry about the Fourth Officers' Training Camp, but hope that things will go along smoothly for you.

Most cordially yours,

Just received yours of
the 19th & 22nd of June and
was indeed glad to learn
that the letters are to be

you with a change in

While enroute to the school

in Paris, where I took

The opportunity of registering
at The American Univ. & Union.

I haven't got any souvenirs
to send at present, but
someday I hope to have.
In regard to a picture I
have just written my

The last I heard from
J. M. Coleman he was with

Geo. F. Terry

P.S. While taking a stroll in a near-by
