U.S. Naval Air Sta.
Halifax N.S.

Dear Mr. Silvers,

I have your letter of
September 19, which was forwarded
to me from Pensacola. I certainly
appreciate being able to keep
in touch with affairs at
college.

We are establishing a
station here to be used by
the Canadian Naval Air
Service and expect to turn

the place over to them about
March. We have several
Princeton men among the
twelve officers but none from
Rutgers.

Don't forget the address

Sincerely
BMRamsey

U. S. NAVAL AIR STATION

HALIFAX, N. S.

November 18, 1918

Dear Mr. Silvers,

I neglected to notify you of my change of station consequently I have just received the letter of November sixth.

I have been stationed here for several months with about twenty other naval officers being engaged in establishing stations for the new Canadian Naval Air Service. We have done a great deal of convoy work as most of the convoys have been sailing from this port. We have had as many as sixty ships go out at one time.

I have a Rutgers man in my division, J. L. Grant '20 who is a seaman.

Very glad the team is doing so well this year and I'm sorry I can't see a game.

I notice that you ask for information

about Rutgers men being wounded. I'm
not exactly entitled to a wound stripe but
if you call a fractured skull, two ribs and
one wrist broken in a 500 foot fall in a sea-
plane as a wound please include me
in your list. I hope this doesn't sound
like tooting my little horn but there
were no Rutgers men around when it
happened

Sincerely

B. M. Ramsey

November 25 1918

Ensign B.M. Ramsey,
U.S. Naval Air Sta.
Halifax, N.S.

Dear Mr. Ramsey:-

I am very glad to have your letter of November 18th. I did not know that Grant '20 was in service and the information is therefore most welcome. I appreciate also your notifying me of your accident. If you have the time we should be very grateful for a more detailed account, giving date, occasion and all other facts. Please do not let any modesty keep you from telling me everything as we are very anxious to have a full account for our college records.

Good luck to you and all best wishes.

Cordially yours,
