Dear Sil: Find enclosed my check
for ^{\$}10 for the Rutgers War
Bureau.

I believe this is a wonderful
work.

Sincerely
Dick.

Also card from Ernest Scudder
which may interest you.

Keep those fellows (officers)
at the Delt House and get
more if possible. It is a
great help.

January 14, 1918.

Mr. R. C. Rice,
New Brunswick, N. J.

Dear Dick:

I acknowledge with appreciation your check for ten dollars for the War Service Bureau of the College. This is the first contribution we have received from anyone and I hope that other Alumni will follow your example and rally to the support of the Bureau. It was very good of you to send the money without solicitation.

You may be sure that I shall do everything possible to keep individual roomers at the Delta Phi House for the remainder of the year.

Cordially yours,

ERS/MVH

Dear Mr. Rice;-

The Training School starts on August 15th, with new courses beginning every week thereafter and admitting one thousand men a week. A man is given a month in which to settle his business, after he is accepted.

There was something in the papers this morning about not accepting men of draft age for Training Schools until after the new rulings had been acted upon by Congress, but we have had no definite word.

Sincerely yours,

R. C. R.

the taking of the men in the Delta Phi house.
If you are around this week I hope that you will
straighten matters at the chapter house, ¹/₂ and have
things in readiness for the coming of the new men.

Dear Dick:-

Please pardon our letter of December 5th asking you to join other men in service in supporting the work of the Alumni Association.. You are, of course, a sustaining member and a letter was sent you because of the duplication of records here in this office. We greatly appreciate your splendid support of the work which we are doing.

With all kind wishes,
