Dear Mr. Silvers:-

Upon my arrival at
home yesterday and found
the cards. I am at present
at Camp Dix N.J. Co. H-
312th Inf. Mail addressed
to Recruit Henry A.
Schell will reach
me there. If there is
any change you can
reach me thru either
of my parents Mr or
Mrs. H. A. Schell, 12 So
12 St., Newark N.J.

Yours truly
H. A. Schell.

Dear Mr. Silvers -

I have been getting your letters for some time off and on and they surely are welcome. My address has been changed and it may speed things a little to let you know that I am "over here" and not in Camp Dix. The address is the same except for Am. C. F. instead of Camp Dix N. J. Your news certainly is interesting and I am sure every Rutgers man was glad to hear of your resolve to continue the letters all summer. There is nothing much to tell except that Forbes & '18 as well as me and Patz '18 is about

three hundred yards away.

Yours truly -

A. A. Hill.

My dear Mr. Schell:

It was good of you to write your letter of July 28th giving me your new address. Thank you too for your information about Forbes and Patz. I hope that you will continue to keep in touch with me and not be too busy to write an occasional line.

With all good wishes, I am

Cordially yours,
