Dear Bovey:

It was mighty good of you to send me the corrections and addresses of our Rutgers Honor Roll. Most of them I did not know and the information given is of great value. Thank you for your good word of the War Service Bureau. We have so far received twenty five dollars from interested Alumni and the response has not been very hearty and all checks will be gratefully received.

Good luck to you, as ever

Sincerely yours,

ERS/MVH

Dear Bovey:

I am enclosing a translation  
of a letter written by a French priest  
to Mrs. Conklin. Perhaps you can use it  
in your article.

Cordially yours,
