My dear Mr. Silvers.

Mr. Sherwood
has entered the
service and I
have taken charge
of his affairs for
him. It is im-

possible to continue
all his old obligations
towards under the
present circumstances.

If you feel it
of sufficient importance
for me to communicate
with you with
reference to that fact, I think
believe me yours and

I shall do so.

Very truly
yours

My dear Mrs. Sherwood:

We are trying not to bother our men in service with such minor matters as Alumni Association dues, as we feel they are doing enough without being called upon to support these incidental organizations. It is not all necessary to send the bill on to Mr. Sherwood. If at any time another bill comes for him please understand that it is simply sent out according to our usual office routine.

Very sincerely yours,
