Dear Mr. Sliker:

Thank you for your letter of January 5th informing me concerning your son Lawrence. I know that he has been appointed to a third officer's Training Camp but I am wondering where the camp is; Fort Myer or at Anniston or even at Camp Dix. If when you hear from your son, you will advise me, I shall be grateful.

Very sincerely yours,

Assistant to the President

My dear Mr. Silvers:

I want to thank you and the college for the good things you are doing not only for myself but for all Rutgers men in the Service. You

have asked me to notify you in case of change of address. As you know through the college I attended the third series of Officers Training Camps at Camp McClellan. I have finished the course standing 35th in the artillery school of 200 men. I hope I have justified my selection as one of the 24 men in the Rutgers quota. I

have my commission as 2nd lieutenant in Artillery and have been assigned to 7 Battery 110th field artillery. I will be glad to hear from you then.

My dear Mr. Silvers; I received today two of your circular letters # 23-24, which I was highly pleased to get. They were in the first mail I received "over here." I have not much of interest to write except that I met Lieut.-Colonel Teasdale while on a detached job here in one of the larger cities.

I will be more than pleased to get a copy of the July quarterly, I assume you, providing this card does not reach you too late. I will close with best wishes for another successful college year. I shall write a letter at my first opportunity

you will greatly oblige
me if you ~~write~~ write him.
I have wrote him around 100-
letters in the last 6 months
and he writes that he does not
receive any mail from me

I have had 12 or 15 letters
returned to me that I have
noted him. I think it is a
shame the way the mail
is taken care of - I would
like to have my son finish
his College Course at Rutgers -
he is with the 29th Division
and we expect him back in
June. He likes Rutgers
and says it is next to West
Point - Kindly let me know
if you hear from my son.

Yours Very truly -
