Dear Mr. Taylor;-

I have sent your name to Washington this morning, asking the Intercollegiate Intelligence Bureau to forward application blanks and all information concerning Call #72 for Army Aviators. You will undoubtedly hear from them within a few days.

Very truly yours,

VEDA BOND

Salem, New Jersey.

Dear Sir: —

You recently wrote
me concerning my
war-time activities, I
neglected answering at
that time and am
taking this opportunity
to do so.

I was in the Gas

2
Defense Division of the
Chemical Warfare Service
in connection with the
manufacturing of Gas
Masks.

I was stationed at
Picton N.J. near Rahway
at a Felt factory where
we were testing and
inspecting felt, my
rank was corporal.
Any further information

3
that you may desire, I
will furnish

Sincerely yours

Eugene R. Taylor,
