My dear Mr. Silvers -

Not having received
any "letters to men in the service"
it occurred to me that possibly
my name was not on the list
of those Rutgers men who were
wearing the khaki. I know
that these letters were greatly
appreciated by all those who
received them and I too would
like to keep in touch with the
college.

I was first stationed at
Camp Lafayette and soon was
transferred to the officer's
training school - artillery
at Louisville Ky. Would you
be so kind as to list my
name under the proper heading.

Sincerely hope that things
will soon return to normal
around college and that
everything will run along in

the accustomed good way.
I have been much interested
in following up the football
team and am mighty glad
of the wonderful record made
despite all the difficulties.

My best wishes for a
successful new year and
with best personal regards -
Sincerely -
