Mr. LaRue Vrendenburgh,

Dear Sir:

I have heard indirectly that your son Raymond is driving an ambulance in France. As we are very anxious to include all Rutgers men in the Service on the College Honor Roll, I would be grateful if you would send me your son's address and any information that you may have concerning his work.

Sincerely yours,

Dear Sir:

Replying to your letter of the 28th instant, permit me to state that my son Raymond holds a Commission as First Lieutenant in the Aeronautic Signal Service, Observation Balloon Division, and is now in San Antonio, Texas, but expects to receive orders to go abroad any day.

I note in your letter you have my name spelled wrong. This name has appeared sufficiently frequently both in the Undergraduate Lists and the Alumni Lists to be entitled to proper spelling by an official of Rutgers College.

Respectfully yours,
