Dear Lil,

Having seen some old Civil War Papers in the Library I thought that these few might be of interest to Rutgers students in 1975. Not having left this country yet I haven't had a chance to get anything more interesting, but I won't forget you when I get over.

Yours for Rutgers + U.S.A

Dear Lieut. Abt:

Mr. Silvers is ill and is therefore unable to answer your letter of the 13th instant. He wishes me to thank you, however, for the papers you sent and to tell you that we are always glad to hear from you. I am sure that the Rutgers students in 1975 will be much interested in reading the papers.

Sincerely yours,
