Serial Call #93

FIELD AUDITORS FOR THE CANTONMENT BRANCH OF  
THE QUARTERMASTER CORPS

Positions: 100 men are desired for the position of Field Auditors. They should have the experience equivalent to a certified public accountant and, preferably, should be certified public accountants. Positions are civilian, but some men in this branch of work have already been commissioned.

Age: Preferably over draft age. Men in draft age will not be exempted from the draft, but will be given the draft classification of civilian employees in the Government service.

Salary: \$150 to \$350 per month.

Qualifications: Accountants with construction experience are preferred. However, high class men with experience in other lines will also be considered.

Duties: Office work in the field at various cantonments.

Application: Candidates should send to the War Service Bureau of Rutgers College, at once, the following:

- A. Letter of application containing
  1. Education, qualification for this service, and experience.
  2. Mail and telegraphic address. Statements as to when candidates will be available for service.
  3. Present position and salary.
  4. Town, state, country, and date of birth
  5. If of draft age, full information with regard to draft status.
