Dear Sir,

My son A. B. Dickinson Jr.
is still in France, or was on April
30th, but said in letter of that date
he expected to leave there in about
a week, but at time of writing was not
certain they would return home on
leaving there. I sent the first thank
you sent him, but he has now
mentioned receiving it, and we know
some of our mail has now reached
him. I will hold the second one, and

hope he will be home before the end of the
month. Please address any communication to him
at 90 Walnut-St. Ridgewood N. J. instead of
68 Kenilworth Pl.

Yours sincerely
Laura C. Dickinson
