PARIS, January 27th. 1919.

President Earl Reed SILVER,  
Ruthgers College  
NEW BRUNSWICK, New Jersey.

Dear President Silver:-

I have the pleasure of enclosing the list of registrants from Ruthgers College at the American University Union between December 24th and January 23rd and also, for your convenience, a duplicate of the list we sent you on the former date.

We are glad indeed to note that the number of registrants from Ruthgers College has more than doubled during the past month. In fact since the last list covers only a little more than four weeks, as against about six weeks in the former list, the proportion has quite trebled. This means that Rutgers men are finding the Union of use to them and it is a great pleasure to note the fact.

Believe me,

Yours very sincerely,

*W. T. Brewster*

Scores of our Rutgers men have written  
us commending the University Union.

I am sure that your efforts are apprec-  
iated by the American College men in France.

Very sincerely yours,
